MOHAMMED ASHMAL

About Me

"I'm Mohammed Ashmal, the best freelance digital marketer in dubai, born and raised in Saudi Arabia, where I spent most of my childhood before moving to Kerala. I've always been curious about business and technology, which led me to pursue a degree in Finance. Over time, my passion shifted towards digital marketing and e-commerce, where I discovered how creativity and strategy can transform brands online. Today, I'm building my career as a freelance digital marketer, helping businesses grow through SEO, social media, and performance-driven strategies. Beyond work, I enjoy football, fitness, and exploring new ideas that connect business with technology."

Why choose me

Choosing me means working with someone who blends creativity with strategy. I focus on delivering real results—whether it's boosting visibility through SEO, engaging audiences on social media, or driving sales with performance marketing. With a background in finance and a strong passion for business and e-commerce, I understand both numbers and people, ensuring your brand grows with measurable impact
